Subject: GenX Consent Order - OK to send this?
Attachments: Genx Consent Order.pdf

Incoming: My name is Dan Ross, I'm a reporter with Capital & Main, working on a story about PFAS contamination in California. I recently obtained the attached premanufacture notice (PMN) for a particular PFAS called Gen X. I just wanted to confirm the authenticity of the document.

Response: See attached.

Since the file from the reporter was stripped from the email I can't verify it. However, the sanitized consent order is publicly available through our chemview database and is attached here.

Is this enough to go on or do you need the document? I asked for it from Cathy last night, but it didn't come through. If you need it, I'll get it. Thanks.

Hi Daniel,

I'm no longer in the press office, I have copied our press email box, so someone will get back to you.
